

We challenge any Tyre to a performance comparison test.

Are You Ready for a **CHALLENGE ?**

We're so confident that Bandag's application-specific retreads will deliver a lower operating cost that we'll put money on it. With the Bandag Challenge, we'll help you determine your cost saving when using Bandag application-specific retreads.

The Bandag Challenge is free, and we guarantee that any cost savings not in your favour will be refunded by East London Bandag.

For details, please contact us.
